Rausch Brothers Monument Company, Inc.

Monuments with a creative touch.

Rausch Brothers Monument Company, Inc. has been a family owned corporation for over fifty-five years. It has been owned and operated by the Rausch family since 1948. The first generation of Rauschs was stockholders and incorporators of Big Stone Bank and Steiner Rausch Quarry as well as the monument company. Michael Rausch, the company's President has been with the business since 1978. The business has been primarily selling monuments and statues, but in 1997 they diversified by adding granite counter top sales.

Rausch Brothers Monument Company, Inc. obtained a SBA PCLP 504 loan to add a 7,500 square foot addition to house the expanding production needs. They also added two Yukon Bridge saws (see picture) and a Marmo Meccanica line polisher.

This project resulted in the creation and retention of over 47 jobs and an increased tax base to the local community.
